

AutoCAD 2009 Test Drive - Hands On Workshop

Striker Technology Solutions
Div. of Computer Design, Inc.
104 S.C.T. Drive
White House, TN 37188

**Registration is FREE, but
seats are limited!**

Do want to experience the new 2009 AutoCAD before you buy or install it?

Come try out the new 2009 products and we will provide the coffee and doughnuts!

We will have some basic lessons to try out if you want, or, bring your own design parts and files to run at your own pace and test with the new ribbon panels in AutoCAD.

This event will be an exciting look into the latest release of the Autodesk products.

Topics Include

- View Cube
- Steering Wheel
- New Icons
- New Colors
- Ribbon panels
- Quick View
- New Status Bar

Agenda
